

Thank you for your interest in hosting an event here at The Hairy Lobster. We are excited about our Loft and Patio spaces that each provide a unique and comfortable dining space for any event. Combine that with our family style service and amazing food; and we have the ability to turn your event into a memorable one! We offer the opportunity for a sit down family style dinner or a stand up dine around cocktail event. We are also willing to custom tailor your event to any specific desires that you might have.

The Loft Area

The Loft area can seat up to 32 guests at one long table, or we can seat up to 55 at individual tables. We can accommodate 115 guests in a dine around format. The tables are zinc and seating is made up of a combination of chairs and leather and velveteen couches. The Edison lighting gives The Loft a warmth and coziness that partners with all our vintage china and our Heritage influence food beautifully! There is a satellite bar in The Loft to provide beer, wine, punch bowls, and any additional beverage that you might want to host upstairs. We also have a full spirit bar downstairs that can fulfill any of your cocktail desires. Our exceptional Pastry team can also make a designer specialty cake for any of your celebration needs.
